

We appreciated everyone for showing up yesterday at the rally.

Now we're checking in with everyone.

Thumbs up in the comments if you emailed Shoreline Police last night??? Thumbs up if you emailed them

Today?

Contact info is here:

Tell them that you witnessed their officers fail to protect the Black youth who were demonstrating at city hall. Tell them that their officers lied and chose to protect a white man attempting to harm Black youth.

Tell them we want SRO's removed from Shoreline schools because we all witnessed first hand how much they care about our Black youth.

REMEMBER TAKING ACTION IS THE NEXT STEP AFTER SHOWING UP.
