Hi –

I would say either the Mayor or Deputy Mayor Scully – given that Keith has been representing the City on many of the homeless conversations. Yes, please work with Pollie on scheduling this.

Pollie – this could go on the Mayor/Deputy Mayor agenda for tonight and we could ask their preference.

Subject: Outreach to Mayor Hall

Hi Debbie—

As you know, I am working with HDC on a project to explore subregional collaboration related to affordable housing efforts. One deliverable of that project was the analysis from Cedar River Group related to Shoreline's needs specifically. The other element is to look at needs and interests among several cities. To that end, HDC is scheduling short assessment conversations with staff and with elected officials. I have already reached out to Nate and Nora to participate in the staff discussion. I assume that Mayor Hall would be the appropriate elected official to suggest, would you agree? I believe the request is for a 30-45 minute interview focused on his perceptions and what he has heard from the community regarding the need for and interest in development of affordable housing in Shoreline.

May I work with Pollie to connect the Mayor to the HDC staff coordinating this activity?

Thanks,

Colleen
