

# Supplemental Weekend Food Support

If your family needs additional food that you are unable to access elsewhere, some weekend food bags are available for home delivery. Food bags will not have all ingredients for complete meals, but will include non-perishable items for the weekend, such as pasta, canned foods, jar of peanut butter, box of cereal, or similar items.

**Call 206-385-9385 by 5pm on Wednesdays** to request a delivery. The phone line is available Monday through Friday, 8am – 5pm. Requests made after 5pm on Wednesdays will be scheduled for the following weekend. Food will be delivered Friday afternoons between 12:30 and 4:00 pm. We hope to provide one bag per household member, but supply is limited so not all requests may be met.

If you would like to volunteer to deliver meals, please contact [shorelineptapres@gmail.com](mailto:shorelineptapres@gmail.com)  
This is provided in partnership with:
