

Lynnwood Link Extension

Construction alert

Lane reduction at NE 185th Street overcrossing near Shoreline Stadium

Beginning Monday, May 26th, drivers can expect heavy traffic at NE 185th Street and 5th Avenue NE as Sound Transit begins phase 2 of the NE 185th Street overcrossing work. Riders should expect traffic delays and use suggested detours.

Visit www.soundtransit.org/185thchanges for more information on construction activities at NE 185th Street.

What

- Sound Transit will begin **Phase 2** of the NE 185th Street construction. For more information regarding the phases of construction at NE 185th Street make sure to visit www.soundtransit.org/185thchanges.
- Crews will cut and cover to construct the south side of the light rail tunnel under 185th Street and realign 5th Avenue NE to the south.
- Traffic on NE 185th Street will be reduced to one single lane with temporary signals for alternating one-way traffic.
- 5th Avenue NE will be fully closed between NE 183rd and NE 185th Streets and open to local access only north of NE 180th Street.
- Residents and drivers should expect traffic delays, noise and vibration from construction work.
- Flaggers will be on site to direct pedestrians, vehicles, and bicyclists.
- A roundabout was installed at NE 185th Street and 10th Avenue NE to reduce the traffic congestion.
- When Lynnwood Link opens in 2024, the City of Shoreline will evaluate the roundabout at NE 185th Street and 10th Avenue NE to determine if it should remain or be removed. To provide feedback regarding the future of the roundabout, please contact the City of Shoreline.

When

- The full closure of 5th Avenue NE will begin as early as May 26th from NE 183rd Court to NE 185th Street and 5th Avenue NE. There will be local access only.
- The work for Phase 2 of this construction will take approximately one year.
- Work hours are from 7 a.m. to 5 p.m., with occasional night work.

Where

- NE 185th Street and 5th Avenue NE, east of I-5.
- 5th Avenue NE is closed between NE 183rd Court and NE 185th and will only remain open to local access only south of 183rd Court.
- See maps for traffic impacts and detours.
