Subject: New Sidewalk Project: 5th Avenue NE (NE 175th Street to NE 182nd Court)

Dear Shoreline Resident:

I'm excited to share that the City of Shoreline has begun planning for pedestrian improvements in your neighborhood. This spring, our consultant team, KPFF, will begin designing a new sidewalk for 5th Avenue NE between NE 175th Street and NE 182nd Court.

These improvements are part of a voter-approved effort to build and repair sidewalks throughout the City. In the coming months, KPFF will develop a design for pedestrian facilities to serve 5th Avenue NE in the North City neighborhood and connect with existing pedestrian facilities in the area.

We are committed to developing a design that meets the community's needs. There will be opportunities for you to learn about and comment on this project at public gatherings later this year. In the meantime, you can learn more about this project and the City's Sidewalk Prioritization Plan at shorelinewa.gov/sidewalks.

We look forward to developing a project that will serve you and your neighbors for years to come. Please don't hesitate to contact me at pjenkins@shorelinewa.gov or (206) 639-0536 directly to answer questions about the project.

Sincerely,

Patricia C. Jenkins

Patricia C. Jenkins, PE
Capital Project Engineer II
