RE: Law Enforcement Services for Chevron Product Services Plant at
Point Wells

Dear Sheriff Fortney:

The City of Shoreline recently became aware that Paramount of Washington LLC, who has been operating the Services Plant under the terms of the BSRE Point Wells LP's Purchase Agreement for the Point Wells property,¹ was permanently ceasing operations on May 25, 2020, and there would no longer be any staff or security on-site after this time.

In 2001, the City of Shoreline Police Department ("Shoreline Police") and the Snohomish County Sheriff's Office entered into a Memorandum of Understanding ("MOU")² in which Shoreline Police would provide emergency first responder services³ to the Chevron Product Services Plant in an unincorporated area of Snohomish County known as Point Wells. Despite the fact that this MOU was only effective during the tenure of the law enforcement officials executing it, Shoreline Police has continued to provide emergency services.

With this letter, the City of Shoreline is notifying you that Shoreline Police will no longer be handling calls for service in the Point Wells area of unincorporated Snohomish County. If the Snohomish County Sheriff's

¹ Under the terms of BSRE's Purchase Agreement for the Point Wells property, Paramount of Washington LLC and its parent corporation, Paramount Petroleum, were allowed to operate the Services Plant until June 1, 2020.

² A copy of the 2001 Memorandum of Understanding is provided for your convenience.

³ King County Priorities X, 1, and 2 calls for service and their corresponding SNOPAC Priorities E, 1, and 2 calls for service.
