Re: Naval Hospital Chapel Landmark Designation

Dear Bob:

I am pleased to enclose a copy of the *Findings of Fact and Decision* of the Shoreline Landmarks Commission on designation of the Naval Hospital Chapel as a Shoreline landmark. The Commission's decision will be formally recorded with the King County Recorder's Office, and its landmark designation will be reflected in the title to the property. Please keep a copy of the decision for your files.

Please contact Sarah Steen, our landmarks coordinator, at ssteen@kingcounty.gov or 206-477-7976 regarding any proposed changes to the property and/or the need to obtain a Certificate of Appropriateness. I have attached a copy of the COA application and instructions for your reference. Sarah can assist you with information about any proposed changes and available preservation incentive programs.

On behalf of all the commissioners, thank you for your longstanding stewardship of this significant historic property. We look forward to working with you!

Sincerely,

Jennifer Meisner
Historic Preservation Officer
