**DATE:** December 8, 2021

**RE:** 2022 Proclamation Calendar Recommendation

---

---

On behalf of the Shoreline City Council, the Mayor issues proclamations that positively impact the Shoreline community. Annually, the Council reviews and approves its Proclamation Calendar for the upcoming year.

This year, staff is recommending 20 Proclamations for the 2022 Calendar. This proposed list adds one new proclamation from last year, increasing the total number of proclamations presented at Council Meetings from 19 to 20.

The addition being proposed is a Proclamation of Juneteenth Day. As Council is aware, earlier this year, the State Legislature designated June 19 (“Juneteenth”) as a state legal holiday effective July 25, 2021. And on August 16, 2021, the City Council added Juneteenth as an officially recognized City paid holiday.

Adding Juneteenth to the list of proclamations honors the significance of this day in American history and would provide a clear and highly visible statement to the community from Council which demonstrate respect and support for the local African American community.

Staff would like Council to review the entire proposed list of 2022 proclamations to confirm that these are the proclamations that the Council would like to present at Council meetings next year. If there are any proclamations that Council would like removed or added, staff requests that you provide that feedback to the City Manager.
