

Pedestrian Bridge Replacement Glass Panel Installation

Aurora Avenue

North 155th Street

Dear Neighbor,

The replacement decorative glass panels for the Aurora Avenue and North 155th Street pedestrian bridges are ready for installation. The installation work will occur over two consecutive weekends.

Saturday

- June 4, 2022
- June 11, 2022

Sunday

- June 5, 2022
- June 12, 2022

The hours of work are between 7:00 a.m. to 7:00 p.m. Crews will first install the new glass panels on the Aurora Avenue bridge, followed by installation of the new panels on the 155th Street bridge.

Pedestrian and bicycle access to the bridges will be maintained during working hours, but users are urged to use caution when transiting the bridge deck. Traffic revisions will also be in place, which may cause delays. Motorists are advised to seek alternate routes. To maintain the safety of all, please reduce speeds and drive cautiously through work zones. We thank you in advance for your patience as this necessary work is completed.

If you have any questions, please call or email the contact below.

Thank you,

Lance Newkirk
Utility and Operations Manager
