Happy Friday, Bristol!

This is a weekly update of what your Shoreline PD has been up to:

- Shoreline Resident Pat Hodge stepped in this week to offer the following support:

Shoreline resident Pat Hodge called and wanted me to pass on the following message:

"I am so grateful for all the good work you do. I hope everyone stays safe and has a wonderful holiday season!"

- I entered a large commendation to all of the KCSO support for our major incident in Ridgecrest last Wednesday. This was another example of the partnerships we share in KCSO. Kenmore deputies, Sound Transit deputies and command, MRO/PIO command, and Tac30/HNT command and deputies all contributed to the safest possible outcome.
- I met again with Shoreline Superintendent, Susan Reyes, with regards to ongoing partnership between the school district and police department. We are organizing a city-wide "walk-thru" for emergency planning for first responders here and in Lake Forrest Park. This is an excellent step in the right direction for our safety planning.
- Sgt. Scott Fitchett has secured an amazing tool for us to be the LEAD at KCSO for testing very dangerous drugs (IE: fentanyl) without having to remove the drugs from their packaging. This tool (TruNarc) is an opportunity to keep us all safer while we in Shoreline continue to seize millions of dollars in this drug with our amazing SET Team. Det. Matt Jeffrey and Sgt. Fitchett will be presenting the tool at our upcoming All-Staff Meeting on the 16th that we hope you can attend!
- I received a very nice note of thanks from the Berean Bible Church today. I have been doing a significant amount of community outreach in partnership with them since my appointment. Additionally, Det. Kieland, Sgt. Fitchett and I have connected with their Women's Ministry group to assist the new "REST" residence here in Shoreline:

Dear Kelly,
On behalf of Beacon, I wanted to
thank you very much for your participation
in our "Trunk or Treat" - Your presence both
as individually and representing Shoreline Police
was a HUGE bonus to the community there.
Numerous positive comments about your attitude
and genuine interaction. We are grateful for
your growing partnership and deeply respect
your sacrifice and courage. We look forward
to working together
May God bless you - more often -
Pastor John Spencer

P.S.
Never hesitate to ask for the use of
our building or grounds for ANY

- This Saturday, Dec. 3rd, I will be attending the Seattle WA Korean Association 50th year anniversary event at Shoreline Community College, where the association will be honoring 1st responders.

Thank you and have a wonderful weekend!

Kelly
