## WEEK IN REVIEW

Shoreline Kenmore

PATROL  
CID

ADMINISTRATION

---

# Chief's Message

---

This has been a busy week full of outreach several evenings to include Ridgecrest PTA and Richmond Highlands Neighborhood Associations. More and more members of and leaders in our community are open to engaging in conversations on partnership with their police department to help make our community a safer place for everyone. We cannot successfully do our jobs without that partnership and cooperation.

KCSO has been developing a recruitment video to share with our communities and future employees to highlight the vast pool of talented and compassionate people we represent every day in this honorable profession. Please enjoy the link here: [King County Sheriff Office.mp4](#)

I will be out of state all next week, and Cpt. Meyer is Acting Chief. Happy Spring Break, everyone!

---

## Sexual Assault Awareness Month

We all know someone who has been impacted by sexual assault. April is Sexual Assault Awareness Month, a campaign to increase awareness about the causes and risk factors. It works to empower individuals to take steps to prevent it in their communities. The King County Sexual Assault Resource Center (KCSARC) is an independent nonprofit serving survivors and their families throughout King County and

engaging communities in building a world without sexual assault. To learn more on what services KCSARC provides click here: <https://www.kcsarc.org/en/>

## TruNarc Success on the First Day!

Our TruNarc machine is up, running and already paying off!! Wednesday Shoreline Deputies were dispatched to an overdose and learned that someone purchased what he thought was cocaine and began snorting lines of Fentanyl. After immediately overdosing, his friend called 911, which initiated an AED request. Deputy Glavin arrived and began CPR until fire took over and transported. The unknown white powder was secured and brought to the Shoreline Pct. where it was tested on our fancy new TruNarc machine that revealed the substance was Fentanyl. Thank you Sgt. Fitchett, again for pushing this program through! Day one

of it going operational we were able to see that we had powder fentanyl and tested it through the bag without exposing anyone.

---

## Team Effort for Boat Disposal

---

---

Disposing of an abandoned boat and trailer takes several steps. In late February, a dilapidated vessel was found dumped on the side of road at N. 170<sup>th</sup> ST and Aurora Ave. N. Together with City Roads and CECRT crews, Shoreline Police lifted the boat off its junk trailer and placed it on the KCSO Special Ops Unit flatbed trailer. The boat was towed to Ballinger Pumps while the derelict trailer—with no plate and no VIN—was sent directly to the scrap yard.

Sgt. Akers sent a Junk Vehicle Affidavit by certified mail to the last known registered owner of the boat, notifying him of his right to arrange for removal of his boat from the property within 15 days. After the 15-day waiting period expired with no response from the owner, Sgt. Akers submitted a request to King County Solid Waste to obtain a Waste Clearance Letter. Next, he set up an appointment with the Cedar Hills Landfill in Maple Valley for disposal. On Wednesday, Roads, CECRT and Shoreline Police delivered the boat, with all the garbage left inside it, to the landfill. The fee for disposal was \$309.17. This was the culmination of hard work and coordination between the City of Shoreline, the KCSO Marine Unit, and Shoreline Police Department. *Special thanks to Sgt. Barton with the Marine Unit for providing the flatbed trailer and for his help with towing.*

## Beloved Volunteer Jeanne Monger Passes Away

Jeanne Elaine Monger passed away peacefully on March 27, 2023 following a cardiac arrest incident while battling cancer. Jeanne was a devoted Shoreline community volunteer, Echo Lake resident, and a huge supporter of Shoreline Police and National Night Out. Please keep Jeanne and her family in your thoughts. She will be missed! [Shoreline Area News: Obituary: Jeanne Elaine Monger February 19, 1948 – March 27, 2023](#)

---

## Congratulations Jordan!

Please congratulate Jordan Souriall on his successful completion of Phase 3 and advancement in our training program onto Phase 4!
