Chief's Message

Wednesday morning, I received a message of gratitude to each of you who responded to the Shorecrest High School assault Tuesday. That message was followed by more from leadership at Kellogg and Shoreline Christian Schools for our communication during the search for the suspect. Staff have been increasingly concerned over the number of issues this year on or near campus. Cpt. Meyer and I have been working with administration and the Superintendent's Office to educate and empower staff in our schools to feel safe and secure. Our work continues!

This morning I spoke at the Northwest Women's Law Enforcement Network Forum in Redmond along with Major Alycia McKinney, Bellevue PD and Sergeant Lauren Truscott, Seattle PD. This successful event was co-hosted by Redmond PD.

At 1530 the Pride flag was raised at City Hall for the month of June... Happy Pride!

- Chief Park

QUESTIONS

JBEARD@REDMOND.GOV

Drones Are Here!

Please give a Shoreline welcome to the two newest members of the team. We have the DJI Mini 3 for our smaller searching needs and the DJI Mavic 3 Enterprise for our larger scale needs. The DJI Mavic 3 has a thermal camera for finding people who may be harder to find due to darkness or brush. This will be a great tool for finding not only suspects in crimes but also lost and confused walk aways from the care facilities. The final hurdle will be the KCSO Drone class scheduled for June 22 – 24th.

- Deputy Glavin

Puget Sound Emergency Radio Network (PSERN)

Command staff recognizes Sgt. Salter for his leadership and great work coordinating our vehicles for radio installations in preparation for the eventual PSERN Wave 4 switchover. The PSERN network provides better coverage over the entire county and should provide better transmission and reception quality inside buildings and tunnels.

All Staff Meeting

Thank you to everyone who attended the all-staff meeting last Wednesday, March 24. We recognize the challenges to meet as a group when we are operational 24/7. We especially appreciate those who came in on their furloughs or adjusted their sleep schedules to attend.

Congratulations again to our Blue Star, Commander's Award, Lifesaver Award and service coin recipients.

Walk-A-Thon

Last Friday, Chief Park, Captain Meyer, Detective Brady and Master Police Officer Coblantz joined Ridgecrest Elementary students during their annual PTA walk-a-thon. It was great meeting our young community members while promoting the importance of staying active and healthy.
