Chief's Message

Tuesday, I hosted the most recent Justice Based Policing class here in Shoreline for three new training deputies and four lateral new hires. I have been the Program Manager for this course for the past two years after teaching it for the past seven years. This week I was fortunate to be joined by two of my ABLE instructors, our very own Dep. Steve Bookin, and Metro Sgt. Sam Speight. Both have agreed to start instructing this course with me moving forward. We will hopefully

be joined in the upcoming months by Det. Tiffany Bowels-Davis out of SAU and Metro Dep. Mike Ramirez. I am excited for them to bring their perspectives and experience to this important course based in the foundation of LEED principles and procedural justice. Vanessa, our summer intern, will be assisting me in updating our presentation in the next coming months... a project long overdue and very important to our department. I could not be more grateful!

Wednesday, CID, King County Housing Authority, and on-sight management for Ballinger Commons met Cpt. Meyer and I to discuss our recent surge in issues of violence, stolen vehicle dumps and narcotics reports. KCHA has recently hired 21-year Seattle PD vet, Ponha Lim, in his retirement as their new Director of Safety and Security, who is eager to partner with Shoreline PD on safety/security issues and concerns. I will be meeting with Ponha and Executive Leadership regarding re-establishing our former MOU with KCHA as it brought Shoreline many years of successful partnership before funding was re-routed south.

Saturday marks the first Shoreline Pride hosted at our Shoreline Farmer's Market! This is a double-up day, so please stop by on shift as show our support of our local small businesses and community.

Northshore Fire (Shoreline Fire) Safety Fair and Pancake Breakfast

This past weekend, Deputy Boyer represented Kenmore at Shoreline Fire's annual Safety Fair at Kenmore Station 51, impressing the crowd with his balloon skills.

Over Three Decades of Service!

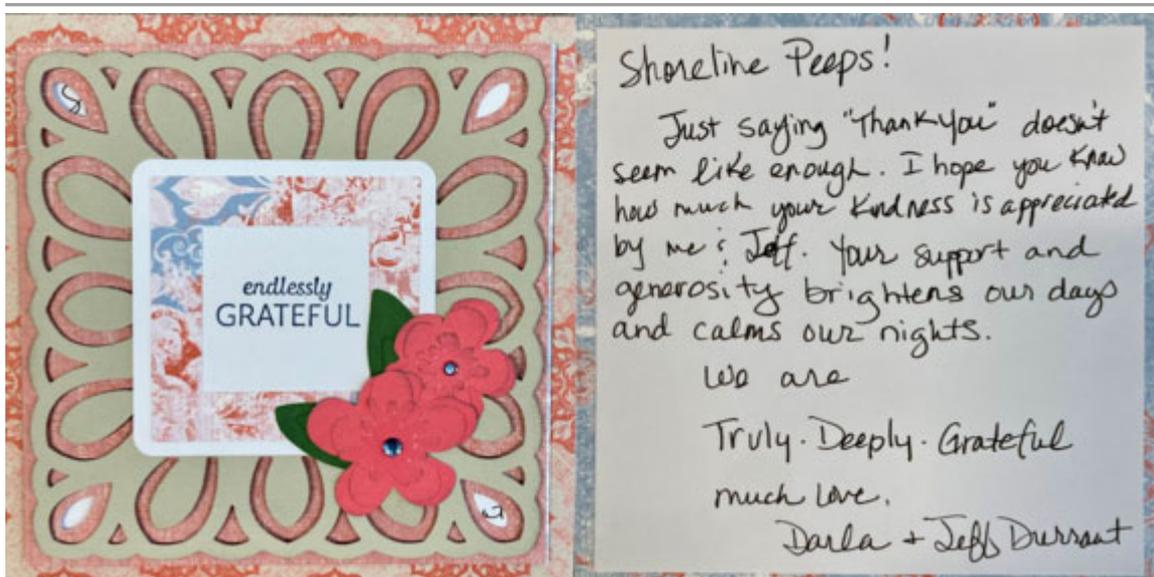

This past week, Detective Bobbi Wilcox celebrated her 35th year with KCSO. Amongst those years, Bobbi has served nearly 20 years to the City of Kenmore. Yes, many Kenmore Deputies regularly remind Bobbi that she is on page one of the department's seniority list.

KCSO and Kenmore are very fortunate to have Bobbi's experience, dedication, and friendship for so many years. If you see Bobbi, please congratulate her on this big milestone.

- Chief Moen

Thank You for Your Support!

Darla Durrant, wife of MPO Jeff Durrant, made a beautiful hand-crafted thank you card in appreciation for the generous donations of gift cards made by our Shoreline Police family. We support and value our strong LEO community!

'Retire Inspired'

Detective Schmitz, following May's wellness training, shared that *Retired Inspired* was **the** book that motivated her to better manage her own retirement and help others do the same.

You'll see our own Shoreline-copy in the report room now. Feel free to take it, read and return. When investing becomes a habit, time does its job and the road to retirement is almost simple.

-Capt. Meyer
