## Chief's Message

First of all, I would like to thank all of you who participated in our multiple Trunk or Treat and other neighborhood events over the past week. It is wonderful to see our communities valuing our participation at these events and having such opportunities for positive engagement.

This week I met with our City Manager and Mayor to engage our Islamic Community of Bosniaks and discuss safety, partnership, and service. The Board we met with was very complimentary of Shoreline PD and offered nothing but support for us.

Our partner, Christina Arcidy, CMO Management Analyst, met with me and the Captains this week to discuss better ways for us to celebrate our work and performance measures. This is an excellent opportunity we look forward to. This will be an effort made with every one of you. Your suggestions and input are valued. Please look forward to more discussion opportunities as we work through the process with your Sergeants. Our work is not simply crime statistics as we well know. Let's celebrate our service!

This Sunday, I will be presenting our partnership with REST to the Berean Church congregation, who will be partnering with us in our support efforts moving forward. Please reach out to me, Kris, Victoria, Dahlia or Sgt. Fitchett on opportunities to assist with our upcoming REST Thanksgiving Dinner! Shoreline Police. Please click the button below.

I was able to meet some of the folks at the Shoreline Senior Center. This is the group that does aerobics after lunch. They are big fans of the police and welcomed officers to stop by and say hi if the opportunity presents itself.

## Of the Year Awards Nominations!

It is that time of year again! We have numerous reasons to celebrate our peers. Please take the time to formalize your nominations for the 2023 Of the Years for Shoreline and Kenmore. Once you have completed the A-148 Nomination, please send it to your Sergeant, who will upload it into Blue Team and forward it up the chain of command. Once we have all of the nomination, each City will hold a committee meeting to finalize the selection and recognize our Of the Years to be awarded

at our end of year all staff meeting! I will forward the final selections up the chain for consideration of the KCSO Of the Year awards as well.

Please have all of your nominations completed in time for your Sergeant to enter them no later than November 30th. December 1st the committee will meet for final selection. Therefore, anything not uploaded through the Blue Team process by then cannot be considered. Thank you!

# Thank you - Community Court Support

---

Deputy Deppa and so many others deserve our thanks for their efforts supporting Shoreline and Kenmore's shared *Community Court*. We've taken steps to better communicate with King County District Court professionals to forecast security needs about 30-days ahead. This effort is expected to streamline scheduling and improve workload. We are seeing good results. Today's graduation and increased participation are encouraging indicators that therapeutic courts can work.

## Shoreline Trick or Treat

---

We enjoyed a few young neighbors at the Precinct for Tuesday's Trick or Treat festivities.

We extend our thanks to everyone who served Tuesday night keeping Shoreline and Kenmore districts safe.

## Hello Harlow Martin

This snapshot of Harlow was too good not to share. He joined KCSO Sergeant (ret.) Starla Martin at our recent Gift Cards for Guns event. This is more proof that our own Kris Tsujikawa has an eye for the perfect (K9) photos.
