Chief's Message

For this week's message, I ask you check out this quick 3-minute video shared by POD Chief Marengo with the Majors this week. My goal in serving as your Chief is to be a SERVANT first to you. My hope is that you know your goals in this honorable career will be supported any way I can. Hopefully, this support is apparent in the number of ancillary duties we support as a precinct between Tac 30, the Marine Unit, CNT, ABLE, BTU, ATU, the Range and other specialty support. However, I

encourage you to seek out areas of interest, career advancements, and training. Talk to your supervisors and communicate your goals so we can help get you there. Sometimes the best way to thrive is moving outside of your comfort zone and challenging yourself.

In addition to goals, we want to hear your voice. Decisions should not be made without everyone at the table. We appreciate your ideas and input on how we can serve our communities better and build trust at every level possible. If there is something I can and should be doing to better serve as your Chief, my door is open.

I appreciate the service you provide our cities every day.

Successful RCR Engagement

While out on a call, Officer Yamamoto requested our Crisis Responders, John and Melissa, meet a trio of cooperative homeless folks who had been sleeping in church and business parking lots recently. The oldest among them, a woman suffering from MS, was the only person with a disability income. John and Melissa went out with two peer counselors from the Recovery Navigation Program and met with the trio next to a 7-11. They were immediately supplied with warm socks and hats, food and water, hard warmers, and bus tickets.

They accepted an invitation to visit the Community Court resource tables where they met with Deputy Jurado. John and Melissa filled out applications for all three for the enhanced shelter at the Oakes and emailed the forms to Lake City Partners. They advised them about the tent city option on 145th and gave them a new tent to replace their leaky one. Melissa also donated a warm jacket. Lastly, they were given a new phone with a month of unlimited data and minutes and gift cards for Fred Meyer to pick up any food or supplies that will help them stay warm and fed until they can secure safer housing.

R.E.S.T. Thanksgiving Donations

Thank you to everyone who donated to the Thanksgiving dinner for R.E.S.T. We've collected enough money to purchase a delicious meal for our local R.E.S.T. residents and staff. It will be delivered on Thanksgiving Day.

It's not too late to donate! So far, we've collected \$150 for gift cards to be given to survivors accessing the R.E.S.T. drop-in center in Seattle. Snacks, a warm meal, personal items and clothing are available at the drop-in center. Please Venmo Dahlia or give her cash

before Monday, November 20th.

Thank you so much for considering!

SEASON OF SERVICE

On the Cover: Sgt. Mandella

I was at Precinct-4 this afternoon where I spotted our own Sgt. Mandella on the cover of *Burien Magazine*. We could not be more pleased to have him now leading co-response efforts here. Again, welcome Scott!
