Chief's Message

Friday, we will be taking a Shoreline PD group photo (IN YOUR SHORELINE JUMPSUIT) during our end-of-year training and awards. To avoid what happened last year, here is how we will be setting up. The photo will be taken inside the lobby of City Hall. Angela will be upstairs on the second floor looking down on us.

- Arrange in three rows, tallest in back, shortest in front
- Half the group should turn to their left
- Half the group should turn to their right
- All turn towards the center
- Second and third rows position yourself between the two people in front of you
- NO HIDING THIS YEAR
- Fold hands in front, shown in 2017 example photo below:
- NO HATS OR OTHER HEADWEAR like a beanie or Cpt. Lockhart's favorite hat:
- NO KCSO JUMPSUIT

SHORELINE POLICE DEPARTMENT
DECEMBER 2017

Thank you for your cooperation on this. The faster we get it done, the faster we get to the fun!

I participated on PEER Washington Navigator's policy advisory meeting Wednesday, and things are going exceptionally well with our north end expansion. They are right on track for starting 24/7 coverage on Jan. 1st! We heard a lot of success stories, but the group was asking for any suggestions on improvements needed. Please send those suggestions up your chain as things come up.

Tuesday, I hosted Justice Based Policing in Shoreline once again for nine of our Post BLEA deputies. It was encouraging to hear from so many of them how they requested being assigned to our precinct and would be looking to transfer in as soon as they complete probation.

Thank you all for the service you provide our city each day!
