## Chief's Message

Wednesday I was joined by our very own MPO Coblantz for filming on the KCSO Contract Highlight series. Zoe Birkbeck and her team were extremely professional and supportive working with the two Shoreline folks, who were least likely to *volunteer* to get in front of a camera. I cannot think of a better representative than MPO Coblantz to highlight our dedication to serve and support of you, our partners.

As a reminder, Bethany Wolbrecht- Dunn, our Shoreline Community Services Manager, has successfully stood up the North King County Severe Weather Shelter again here in Shoreline. The shelter is located at 722 N 145 ST at St. Dunstan's from 2000-0700 hours daily serving single adults and couples in our community who need a safe and warm place to stay. Walk-ins are welcome. However, calling ahead to confirm bed availability is strongly encouraged 206-837-2746.

Thank you all for your continued dedication to service.

## Upcoming TDA for MPO Monserud

---

Thanks to continued, good trends in Phase- II performance, we are pleased to share that in mid-February MPO Monserud will be moving into a 30-day TDA position with CIU. We value his patience and professionalism and look forward to his permanent assignment as vacancies continues to trend down.

## Well Done - Move to Phase-III

---

Following today's PTO board, Deputy Dan Finan will be moving into Phase-III. Deputy Finan brings considerable skill and professionalism to Shoreline. We congratulate him and thank every partner for their coaching during his PTO training. Job well done -

## Praise from King's Schools

---

Jordan Gage, head of King's Schools, emailed these remarks thanking Shoreline Police, and specially Deputy Newbauer, for last's weeks response to their campus after a suspect in an Edmonds matter was seen on campus. Our relationship with King's remains

strong as affirmed by his statement:

---

***We really appreciate you and your team! I am grateful for the steps you guys have taken to help keep our students safe. We are here to support your department any way we can and are big proponents of the folks that serve our community in law enforcement.***

***With gratitude,***

We wish everyone a safe and restful weekend.

For our partners serving on the MLK Holiday, we thank you for your valuable work and time away from family.
