Chief's Message

Monday evening, I had the opportunity to meet with the Shoreline Council and Leadership as well as Seattle Councilmember Moore to discuss the fantastic work all of YOU are doing directly to the north of her district at N 145 and Aurora. We spoke about the history of Aurora, progress we have made in infrastructure, SOAP and SODA orders, years of proactive police work done by our SET teams and patrol, and the evolution of resource partnerships we now have with REST, RCR and WA Peer Navigators. Councilmember Moore and I continued to speak after our Council went to chambers for their evening meeting, and she was nothing but complimentary of Shoreline PD and your dedicated service. I have been truly honored to be your partner.

Tuesday, I met with Shoreline Chamber's Board of Directors, who invited Fire Chief Matt Cowan and I to speak about public safety and our needs for their support and

voice with Council. It was a refreshing and candid conversation, reminding me of just how fortunate we are in Shoreline to have support from those we serve.

Wednesday evening was Swingin' Summer Night at Cromwell Park. Thank you so much to those of you who either participated with me in the booth at the event or came through on patrol. You are all working ridiculously hard and to take additional time for this worthy event of engagement is so amazing to see. Thank you all for your continued dedication and service.

- *Chief Park*

Midweek Music Festival

Last night, the city hosted their Swingin' Summer Eve event at Cromwell Park. Shoreline Police attends this free community event every year. Chief Park, Captain Meyer, Captain Angelo, Detective Kieland, Deputy Cullen, Deputy Schettler, Deputy Lacy, and Deputy Finan were all on hand to talk with the community.

- *Detective Paula Kieland*

Versatile Truck Added to Fleet

Shoreline's new 2023 Ford F-150 Crew Cab with an Axon in-car camera will be upfitted with a command style truck vault and will function as a mobile command post during critical incidents. It is a welcome addition to Shoreline's fleet.

RACER's New Wrap

RACER now has both of their vehicles wrapped with Crisis Responder signage. This will make it easier for citizens and other professionals to identify us when we pull up to a scene. Having two cars in play for the Shoreline/Kenmore precinct makes it easier for the whole team to drive themselves to any call and stage there with responding officers. The Adam 90 units are ready to roll!

- John Streimikes, MHP
