## Chief's Message

---

Thank all of you who volunteered to participate in another successful and fun National Night Out! Now... I know it wasn't a contest... but *IF* it was... I *definitely* won the eating contest again this year! In all seriousness, this is always one of my favorite nights of the year and a fantastic chance to meet with each of our neighborhoods, share some excellent conversations, a BUNCH of hugs and handshakes, and connect with those we serve. I even got to throw axes at one of our North City block parties with Mayor Roberts! Friday, Fox 13 will be here to film a local story about the outreach and engagement we have been building in Shoreline. Thanks to all of you sharing the love for this important

piece of our daily work.

I want to personally thank MPO Cullen, **THE** Shoreline Traffic Unit, for already making a visible difference in his new role. Twice this week already I have heard thanks from our community for seeing him running speed emphasis. This contribution to making our city safer is very impactful. Thank you, MPO Cullen.

We are one week closer to seeing our newly added patrol team member in both Kenmore and Shoreline and getting you all some much needed and much deserved relief. This has been a long time coming. Thank you for your continued hard work and patience.

- Chief Park

## Meeting Our Neighbors

---

*National Night Out in Shoreline Neighborhoods*

*National Night Out with Kenmore Police and RCR MHPs*

National Night Out, a long-standing tradition in Shoreline, provided an excellent opportunity for police, city officials, crisis responders and other staff to connect with members of the community in a relaxed, informal setting. Shoreline Police visited more than 30 block parties citywide! Thank you to everyone who participated and looking forward to next year's event!

# Home Runs and High Fives

Last Thursday, Shoreline Police Department – joined by family members and former Shoreline Officers Jurado and Fenton (now K9 Officers with Sound Transit) – faced off against the Spartans Special Olympics team in a competitive softball game at Hamlin Park. Officer Fenton led a great team effort with a solo home run blast.

The game was a nail-biter. In the end, Shoreline PD managed to hold on to a one-run lead for a final score of 7 - 6. Congratulations to both sides for all of the skillful plays, great camaraderie and outstanding sportsmanship that was shown. Special thanks to Ofc. Schettler for organizing this fun community building event!
