PATROL CID ADMINISTRATION

Kelly Park, Chief

Chief's Message

It is that time of year again. The annual giving drive is upon us. This year Kris Tsujikawa is our Pct. Ambassador. I wanted to thank her for volunteering to take on that role. In addition, I highly encourage everyone to give to a favorite charity of their choice. There are many available to choose from. If you have never donated before it is extremely simple. You can choose to have a payroll deduction or donate vacation hours. If you are having a difficult time choosing, the S.H.E.R.I.F.F. Fund – Sam Hicks Emergency Relief Interim First Fund 9008 is a great choice; so is the King County Law Enforcement Explorers 9393. If neither one

of those are of interest to you, please check out the list of non-profits at <https://kingcounty.gov/en/legacy/audience/employees/giving>

Thank you in advance for choosing to give.

Successful Warrant Operation

We had an arrest for a violation of a court order this week. Due to the high-risk nature of the arrest, Tac-30 (SWAT) and CNT were involved with our CIU and patrol folks. It was an excellent display of professionalism by everyone involved. The arrest happened without incident. John from RCR was involved with CNT, providing much needed information for them.

Celebrating Indigenous People's Day

Monday, October 14th is Indigenous Peoples' Day. This day celebrates and honors America's first inhabitants and today's vibrant Tribal Nations. Most, but not all King County government offices will be closed in observance. King County Courts will be open.

Thank you to everyone who is working this holiday.
