Chief's Message

Greetings,

First I want to thank everyone for being so helpful in my transition to Pct 5, it is very much appreciated.

Secondly, I wanted to welcome Capt. Neil Woodruff. He will be taking over the Administrative Captain duties.

Please stop by and welcome him when you get a chance.

Switching gears, everyone should have recently received an email from Sgt. Mandella in reference to starting an Explorer post here at Pct 5. For those who don't know, I have been involved with the Explorer

program for many years, and I believe in the benefits of this program. It is a way to have positive interactions with the youth of this community outside the enforcement realm. It is also a way to recruit the next generation of law enforcement. There are many former explorers that now work in different roles in the department, both

commissioned and non-commissioned. If you are thinking about becoming an advisor, please do. I can promise you that I will support this program fully.

That's all for now. Take care.

KCSO Special Ops Assist SPD in Arrest Violent Robbery Suspects

SPD Chief Sue Rahr contacted Sheriff Cole-Tindall to invite members of the KCSO K9 Unit and the KCSO Air Support Unit to meet in person. Chief Rahr wanted to thank them for their support in the arrest of several violent robbery spree suspects. Thanks first and foremost to the deputies who handled this call. Your continued professionalism shines through. You are out fighting crime and doing exactly what you took an oath to do! Thank you! Thanks to Sergeants Gagnon and Stanley for getting folks organized and out to the last-minute press conference. Thanks to our contract partners who support the greater mission of safety and law enforcement in the area. Thanks to Chief Kang for covering for the Executive Team.

We appreciate and look up to all of you!

Celebrating Special Olympic Athletes

Thank you to Ofc. Schettler, Chief Moen and Chief Park for celebrating the Special Olympic athletes!

A heartfelt thank you to everyone who attended last Saturday's Special Olympics Bowling Competition at Kenmore Lanes. LEOs cheered on the athletes, met family members, carried the torch and awarded medals. Dacia, LETR and Community Outreach Manager for Special Olympics Washington wrote:

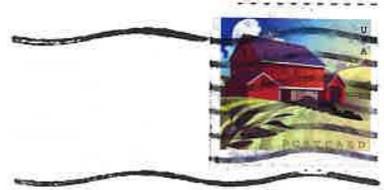

"I can't thank you enough for showing up and blessing the **NW Region Special Olympics athletes** on Saturday! The athletes, coaches, and volunteers are filled with gratitude. Thank you again for all you do—I look forward to working with you even more in the future!"
