Chief's Message

I had the opportunity to meet at roll call last night with several of you. I appreciate the conversation and the honesty that you shared. I want to stress that we are a team here at Shoreline, and we are only as strong as the individuals that work here. I love the desire of this team to achieve the common mission of providing the best possible police service to the residents and visitors to the city.

I know all of you support our mission and are doing a great job. I said this last night and I will say it again, please take credit for your work. If you are driving through a neighborhood looking around please log an area check. If you are headed to one of the stores to get a snack, put yourself on a business check. If you come in contact with one of our residents and they have a conversation with you about a police problem that doesn't rise to the level of a case report take credit for the 554 citizen assist. You are all doing good work. I want to be able to show it.

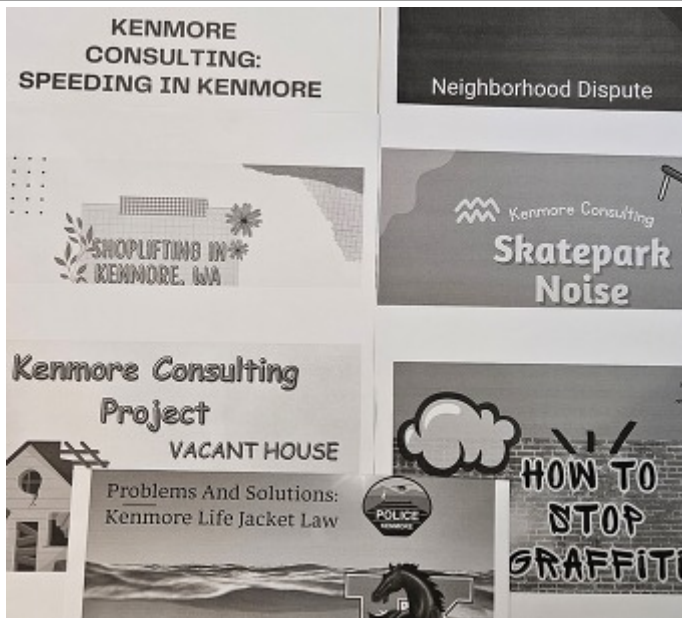

Today many of you participated in the coffee with a cop event in Richmond Beach. This was a great opportunity to meet the public and talk to them about their neighborhood and answer questions that they might have relating to law enforcement. I am grateful for the participation. It means a lot to the community, and I take pride in the ability of those that took the time to compassionately engage with the community. Thank you very much from the captains and me.

That is all for now.

Take care,

- Chief Tommy Collins

Kenmore Middle School Problem Solving Presentations

Chief Moen had the pleasure of having two of Mr. Razem's 8th grade classes at Kenmore Middle School make presentations to him on problem solving projects. Students were presented real-life problems encountered by Kenmore Officers and developed outside the box strategies to address them. The students were excellent presenters and put a great deal of effort into their work. They represented KMS and the Kenmore community extremely well!

Coffee with a Cop at the Richmond Beach Starbucks

We had a successful Coffee with a Cop at the Richmond Beach Starbucks. It was a great turn out. Thanks to all the department members who showed up to support and get to know our community! Big thanks to the Richmond Beach Starbucks staff for allowing us to take over the place and CSO Dahlia Corona for organizing it!
