Chief's Message

The Chief's Message is taking a pause this week.

Thank you!

National Law Enforcement
Appreciation Day

Crisis Responders Thank Officers

We four Shoreline and Kenmore Crisis Responders have been on a journey of learning about the endlessly challenging and complicated work of law enforcement. Between the four of us, we have worked in courts, hospitals, emergency departments, child welfare agencies and as designated crisis responders.

We have been humbled and inspired to see the officers in Shoreline and Kenmore work with the most compromised of our community with patience, respect, and compassion. They are conscientious about their approaches. They show up for people in their darkest moments with kindness and integrity. They fill in the gaps of our systems, most notably the social welfare system, and they do so without

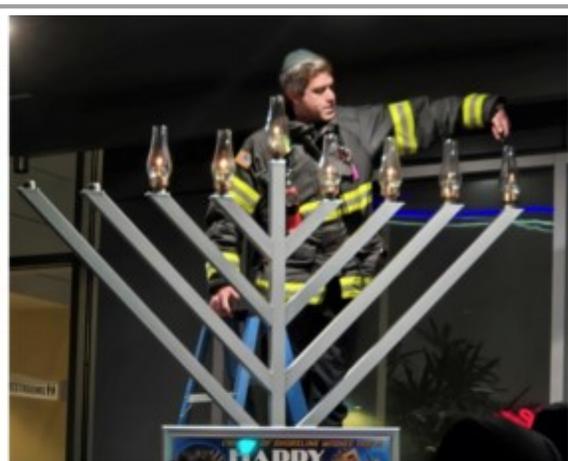

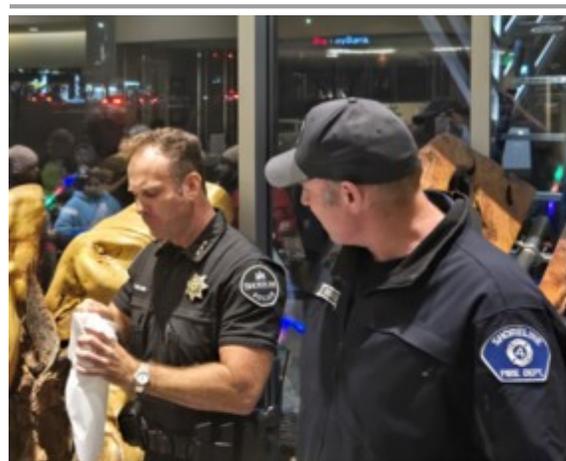

recognition because others are unaware of this service. We consider ourselves incredibly fortunate to work alongside these officers and look forward to continuing to learn from one another!

Happy Law Enforcement Appreciation Day!

Chanukah at City Hall

On Monday, December 30th, Shoreline City Hall hosted the 11th Annual Chanukah Celebration, drawing a record crowd of over 200 attendees. The event featured an array of activities, including food and beverages, a gelt drop facilitated by the Shoreline Fire Department's ladder truck, craft stations, and the lighting of a 9-foot menorah.

The spirit of Chanukah, symbolizing the triumph of light over darkness, resonated throughout the event. Rabbi Sadya Davidoff delivered a message emphasizing the universal theme of light and the importance of freedom in worship and expression. He also extended his gratitude to Deputy Mayor Laura Mork, Chief Collins, Captain Woodruff, and the entire Shoreline Police Department for their ongoing efforts to ensure safety and security in the community.

Brandon Moen and Kenmore Police

The work you do is important and so appreciated. Just wanted to express our deep gratitude for the dedicated work you do day after day.

Since David is no longer across the way we have peace at last. We thank you for your help throughout the years. HAPPY New Years,
Mona and Gordy Spencer

Many of have responded to the Thompson compound on Arrowhead Point in Kenmore over the past 15+ years.

Neighbors of the property who have been particularly victimized by Thompson and his cohorts over the years were thankful of our work on the issues there. The home was sold at a foreclosure auction last year, and the new owner is still cleaning out the house. Thank you to everyone with KCSO that helped address this problem house over the years.
