## Chief's Message

As promised, the Captains and I sat down this week to go over priorities for us here at Shoreline PD for 2025. I want to thank all of you who took the time to send in your suggestions. We settled on five broad priorities to focus on over the next year, and I am hoping to have them posted in the PD soon. The list is as follows:

1. Team Training
2. Explorer Program
3. Staffing
4. Traffic Enforcement
5. Retail Theft Program

I hope that this list will give us all some focus moving forward this year outside of answering the standard calls for service. I know that every one of you here is doing the awesome work to provide quality service to the community here in Shoreline, and I thank all of you for those efforts. I am looking forward to watching each and every one of you accomplish great things this year.

Take care and be safe.

- Chief Tommy Collins

## Serving With Care and Compassion

---

On 1/8/25, Woodinville Deputies responded to an AED request for a male who had been found unconscious at the Woodinville Sports Club from an apparent heart attack. The male was being transported to the hospital, and deputies had requested that SPD contact his wife so she could go to the hospital to meet him. Given a likely lengthy time delay from SPD, Deputy Boyer volunteered to drive to Lake City and notify the man's wife. On 1/17/25, I received the following message from her, which was directed to Deputy Boyer.

Deputy Boyer's compassion and support of Ms. Smith obviously made a huge impact on such a life altering day for her family.

- Chief Brandon Moen

*Thank you for your kindness*

"I wanted to contact you about the visit you made to my home on Wednesday, January 8th in Seattle. You came to tell me that my husband had a heart attack. Sadly, he did not make it and I am shattered. However, I have many people reaching out to me with love and support. One thing that stands out to me on that fateful day was your ability to guide me on what to bring to the hospital, make me drink water, focus on what I needed to bring with me, and the absolute kindness and care that you provided to me. Including giving me a hug before getting into my friends' car. I will never forget this gift of calm before the storm, it shows what a loving, decent person you are! Having such a stressful job and having to pivot at the drop of a hat, I am truly in awe of your ability to power through each day. You are in my thoughts and know that you make a difference!"

Respectfully, Barbara Smith

**FOUNDATION**

You're invited to this free event honoring the life and legacy Edwin Pratt, an influential civil rights leader and community advocate. Pratt, a resident of Shoreline, dedicated his life working for equal rights, especially in housing and education. At the event, the City of Shoreline will proclaim January 30th as a day of remembrance, friends and colleagues of Mr. Pratt will share stories and there will be exhibits and poetry. Light refreshments will be served.
