Chief's Message

I would like to start out this week's update by congratulating Detective Joe Monserud for being selected as the Departmental Detective of the Year. When you see him please give him a congratulations. As many of you already know, this award is well deserved. I would also like to congratulate our Pct 5 of the year award winners. Congratulations to Sgt. Jon Salter (Pct 5 SOTY), Deputy Jeff Helmer (Pct 5 DOTY), and MPO Edward Welch (Pct 5 PTOOTY). Job well done to all!

If you haven't heard already, I have given instructions to Capt. Woodruff to work with the Patrol Sergeants to implement an Anti-Crime Team for patrol. What does this mean? When we are above minimums, I would like to have two deputies assigned as X cars to perform on-views in our high crime areas in Shoreline. I know that patrol is taxed and having extra bodies out there is a luxury and not always available, but I believe we will see positive dividends in our efforts if we make a concerted effort in addressing our problem areas. I am hoping to secure

funding to staff this on O/T from time to time, but as of now we will be using on duty personal when we have the extra staffing. Thank you in advance for the support and the effort that this project will take.

Be Safe,

Chief Tommy Collins

CONGRATULATIONS

Det. Monserud - KCSO Detective of the Year
Sgt. Salter - Pct. 5 Sergeant of the Year
Ofc. Helmer - Pct. 5 Deputy of the Year
Ofc. Welch - Pct. 5 PTO of the Year

**Rapid Response Times, Enhanced
Enforcement and Greater Outcomes**

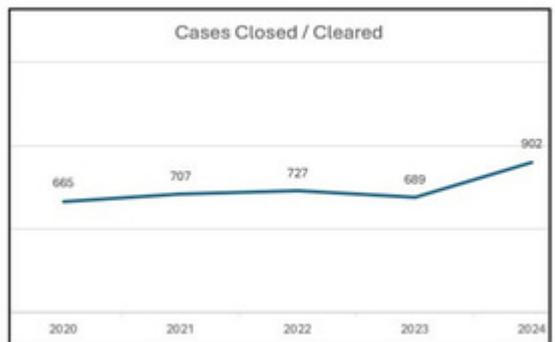

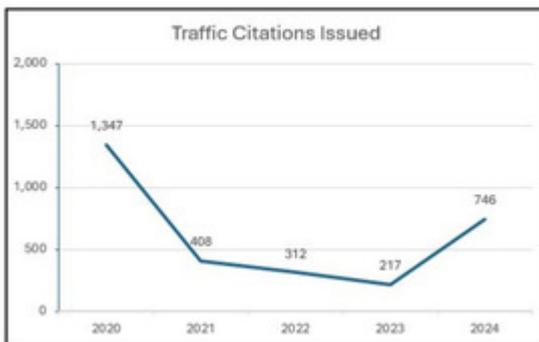

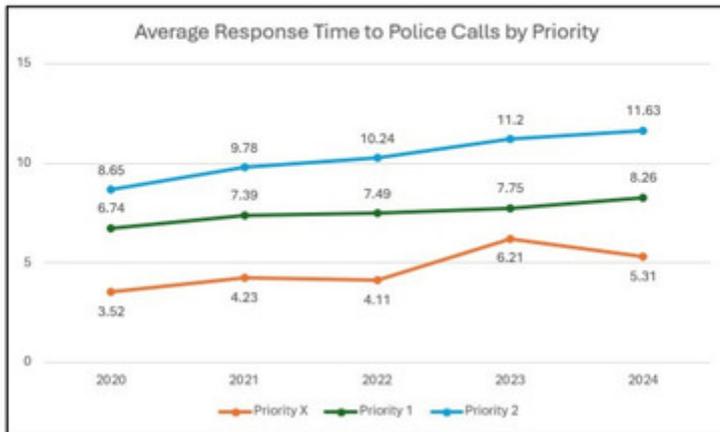

I've been putting together the 2024 Police Service Report, and I wanted to share a few things with you all and thank you. Your response times to priority X calls went down almost a minute! That is significant. Traffic citations issued and on-view activity both went up significantly. On the investigations side, cases closed / cleared went up.

All of this is impressive work, and we appreciate all the hard work you have done and continue to do. We have a great team here in Shoreline and it seems to be getting better all the time.

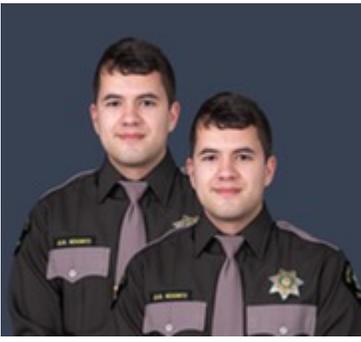

Thank you all!

Captain Brian Angelo

SHORELINE POLICE 2024 STATISTICS

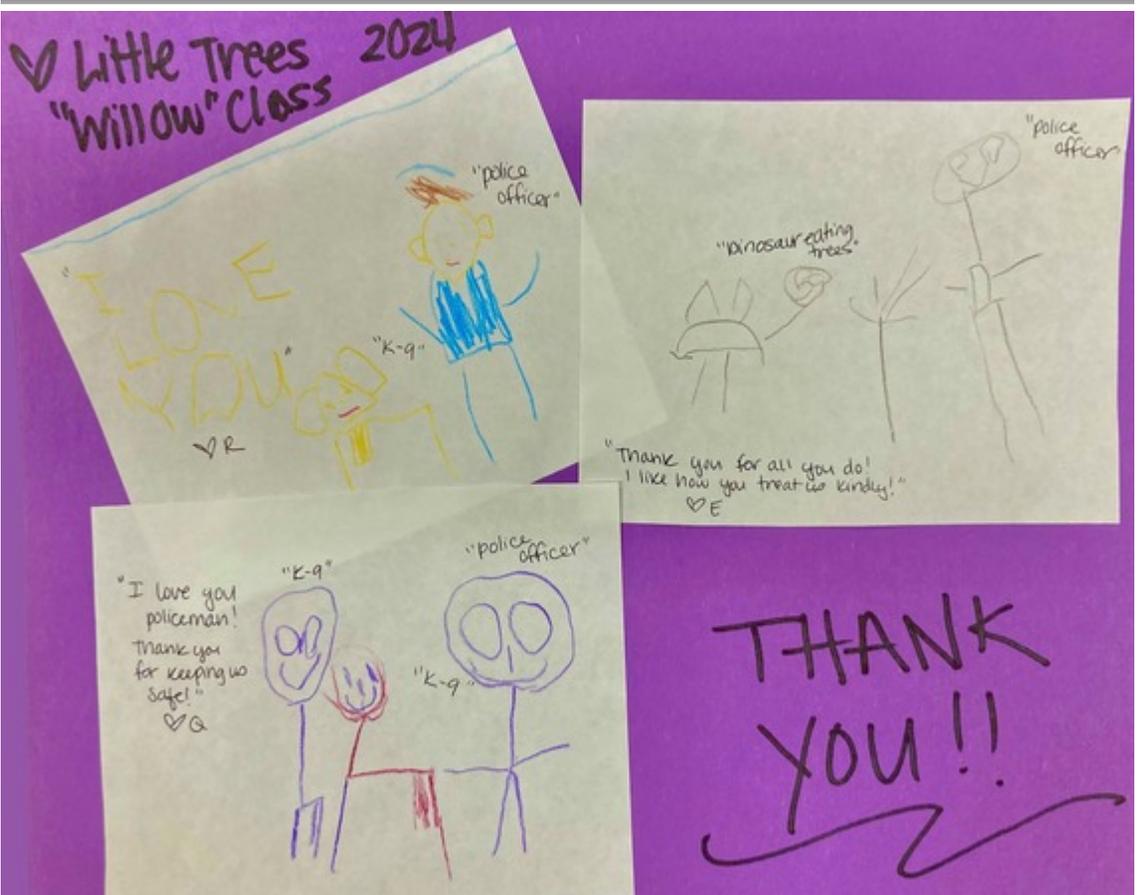

Commendation for Deputy Koontz

Hey! I borrowed Koontz this morning for a SAU warrant in Duvall. I don't know who his sergeant is, but I just wanted his peeps to know he is good people. This is the second time I have used him. He is flexible, easy going, pays attention and is an asset every time. If only I could clone him. I just wanted to say thanks to Shoreline for letting me use him and give him an attaboy as well.

- Detective Ben Emmons

Preschoolers Thank Officers

Captain Woodruff, Detective Velie and CSO Corona visited the Little Trees Early Learning Center, on January 24th. The preschoolers learned about safety, community, and the important role of police officers. The children thoroughly enjoyed their visit and expressed their gratitude with handmade thank-you cards and drawings, including messages like, "I love you, policeman! Thank you for keeping us safe!"

Community Members Show Appreciation

A Shoreline mom and her adorable three kids stopped by the precinct to thank all of the law enforcement officers for their dedication and exceptional service to the community. Thank you Sgt. Blanchette meeting with them and making their day!
