## Chief's Message

It seems the month of April is flying by; soon kids will be out of school and summer vacations will be here. As most of you know, our call volume generally goes up when the summer hits and kids get out of school.

There will be some opportunities this summer to contribute with our anti-crime efforts and park patrols. Please look for information regarding these opportunities in the coming weeks.

Also, with Sgt. Knight returning to Shoreline, we will have a resident expert with the E-motorcycles. For those with motorcycle endorsements there will be the ability to get out on the bikes and patrol our trails and parks. If you don't have a motorcycle endorsement and would like to get yours, we will make that happen—just let your Sgt. know.

I would like to see the motorcycles out as much as possible this Summer. The public appreciates the extra efforts in patrolling the trails and I appreciate the crime deterrent that your presence creates.

That's all for now.

Stay safe and take care,

- Chief Tommy Collins

National Public Safety  
Telecommunicators Week  
April 13-19, 2025

---

**National Public Safety Telecommunicators Week** begins next week. Join us in recognizing and thanking the dedicated professionals who serve as the critical first point of contact in emergencies. Their unwavering commitment is deeply appreciated by both law enforcement partners and the communities they support.

We're collecting **\$5+ donations** to provide lunch for our Communications Center partners to be delivered next Friday. There will also be a poster in the hallway—please stop by and sign it to show your support.

Thank you for considering.
