

## Chief's Message

Looks like we are finally getting some summer like weather. I look forward to this time of year. It gives us all opportunities for summer vacations, activities outside, and time with friends and family. Historically this is also when our call volumes go up.

I encourage everyone to pace themselves through the summer and try to avoid getting burned out. Take your time when you can so that you can focus on your job and take care of your partners when you are here.

Moving on I have the following requests from the Comm. Center:

- 1) With new deputies and the new radios, deputies need to wait after keying the mike up before speaking. The dispatchers aren't hearing the beginning of most transmissions as it's being cut off. Please share to have them wait a second before they start talking.
- 2) With so many cars on any given air, please reinforce that people need to use their full call signs. There are often two of the same call signs in use and we need the shift designator first for accuracy. So it's 2F12, 4A6, etc.
- 3) Please ensure that everyone is checking their PERQ command when the prompt comes out. Some people are still missing portable radio numbers or have the wrong ones listed. They should also check their phone numbers.

Please try and adhere to these guidelines. It appears it will make your dispatcher's life easier. That's all for now.

Take care,

- Chief Tommy Collins

# Respect. Gratitude. Honor.

Chief Tommy Collins,

Greetings. I want to share my respect for you and the officers in Shoreline, for all the work you do to keep our community peaceful. You are the public servants that put your lives on the line daily, and it is much appreciated. The prevention aspect of your profession, shows the crimes that did not happen, that is important.

Much honor and respect,

**Annette Ademasu**

**Councilmember**

## Police Explorer Post Launch

The Shoreline Police Department held its first Explorer Post meeting on Tuesday, May 27, at the Shoreline City Council Chambers. Post members and advisors introduced themselves and discussed ways to promote the post. Their first lesson included learning the phonetic alphabet, which they picked up pretty quickly.

Special thanks to Explorer Advisor Deputy Sarah Lacy, Commander Diego Zanella (LFP PD), Deputy Spencer Trop, and MPO William Weisberg for their support and help with the first meeting.

Explorer Post meetings will be held biweekly on Tuesdays from 1800 to 2000. Applications are accepted on a rolling basis, and youth ages 14–21 with an interest

in law enforcement are encouraged to apply. Upcoming meeting dates: June 10, June 24, and July 8.

---

## Powerful Reminder for Young Drivers

On Friday, May 16, Deputies Boyer and Wren assisted Shoreline Firefighters with their annual DUI collision demonstration at Inglemoor High School, held ahead of prom. The deputies arrested the teenage student/actor following Standardized Field Sobriety Testing (SFST). Deputy Boyer then spoke to seniors about the dangers of impaired driving. These powerful visuals and message serve as a memorable reminder: prom night should be unforgettable for all the right reasons—encouraging teens to make smart choices and stay safe.

# Ongoing Training in Team Arrest Tactics

---

MPO Welch and MPO Glavin are leading the ongoing Team Arrest Tactics training, conducted in one-hour blocks. Sessions will continue throughout the year, primarily on double-up days, and will take place in the precinct training room. The next training will take place at 1400-1500 and 2200-2300 on June 5th

If you plan to attend, please bring athletic shorts or pants, mat shoes, and a shirt or rash guard. A second shirt, towel, and water are also recommended. Please avoid wearing running shoes.
