Chief's Message

Due to visiting roll calls, the Chief's Message is taking a pause.

Be well and stay safe!

Community Outreach: Richmond Beach Strawberry Festival & Firearm Safety with Scouts

The Shoreline Police participated in this year's Strawberry Festival this past weekend, and WOW—what a great turnout and fun experience. Deputy Lacy, Detective Monserud, and I were there to interact with the community and met some awesome families and kids. Captain Woodruff and Chief Collins were also able to attend, and by all accounts, had a good day! We brought two patrol cars and the Zero Bikes for kids to experience, and we gave away a ton of cool new Shoreline PD swag. An honorable mention goes to Explorers Liam MacDonald and Alan Carlson, who made their first adventure as Shoreline Police Explorers a memorable one!

On Monday, June 9th, Detective Durrant and I visited Boy Scout Troop 309. The Scouts are working toward their firearms badges and gave us the opportunity to talk about firearm safety. About 20 Scouts, troop leaders, and several parents participated in an hour and a half of firearm safety instructions. Basic safety rules and protocols were the primary topics, but the Scouts also interacted with different types of firearms and learn how to identify them. They are hoping to earn their Rifle and Shotgun badges this summer.

- Detective TF Velie

Kenmore Officers Connect & Engage at Fire Safety Fair and School Carnival

Pictured (L to R): Kenmore Officers Ezell, Wren, and Boyer

Officers Ezell and Wren took part in the Shoreline Fire Safety Fair and Pancake Breakfast on Saturday, June 7, held at Kenmore Fire Station #51. They handed out

swag and mingled with community members during the event, which featured a kids' challenge course, tours of the fire engine and rescue vehicles, and firefighter demonstrations—including vehicle extraction, hose operation, and CPR.

On Tuesday evening, June 10, Officer Boyer represented the Kenmore Police Department at Arrowhead Elementary's 25th Annual PTA Carnival, an end-of-year celebration with games, activities, food trucks, and much more.

"Thank you to all of the Officers for their willingness to help with these events and engage with the community!"

- Chief Brandon Moen
