Chief's Message

This week has been interesting to say the least. I want to extend my appreciation to all of you who have been working long hours to support our KCSO brothers and sisters with the flood response. My hope is that we are nearing the end and we can get a breather. With the holidays quickly approaching take advantage of any time off you can get with your friends and family. Use your support systems to rest and recharge. Thank you for all that you do.

Shop With a Cop Brings Holiday Cheer to Shoreline Families

In true holiday spirit, event organizer Detective Velie, dressed in a festive green track and red suit, provides direction to volunteers, officers, and command staff.

On Saturday, December 13, we held our inaugural (hopefully first annual) Shoreline Police Shop With a Cop event. Special thanks to Fred Meyer for being an amazing host and providing incredible volunteers. Funded by CRISTA Ministries, Shoreline Chamber of Commerce, and the Shoreline Rotary, we were able to support 27 local Shoreline kids between the ages of five and thirteen. Everyone had to opportunity to shop with one of our officers, deputies, sergeants, captains, or chiefs.

The standing record goes to Mark Brown who was shopping with his pair of siblings for almost the entire 2 hours, filling their basket with toys, gifts, and other household items. Four of the Shoreline Explorers supported everyone from pushing carts, to partner shopping, to being cornhole and cookie decorating supervisors. All in all, we had a fun time, making new traditions and hopefully making the holiday season just a little bit more fun for these families. We are looking forward to bigger and better things next year...and maybe another “shopping” opportunity for back to school, more details to come. Happy Holidays everyone!

Celebrating Detective Wilcox

Last Friday, we honored long-time Kenmore Detective Bobbi Wilcox as she prepares for her upcoming retirement. Bobbi has served the King County Sheriff's Office for 38 years, the past 15 specifically assigned as Kenmore's detective. A crowd from KCSO and the City of Kenmore joined us as we honored the tremendous dedication that Detective Wilcox has shown over the years, being an advocate for accountability and compassion. We will miss you Bobbi!

There will be no *Week in Review* next week due to the holiday. We recognize that this is not a day off for everyone and sincerely appreciate your continued dedication and service.
